Important Due Dates

| | |
|--|-------------------|
| Participant application and summaries | 14.02.2014 |
| Confirmation of paper acceptance | 28.02.2014 |
| Submission of the full text of the article | 25.04.2014 |
| Conference fee payment | 30.04.2014 |

Accompanying Events

Meeting of Polish Society of Sensor Technology
Sightseeing brown coal mine in Belchatow
Gala welcome dinner, farewell meeting

Lodz University of Technology

XIII International Scientific Conference Optical Sensors and Electronic Sensors

Łódź (Lodz, Poland)
22nd - 25th of June, 2014

Organized by:

Department of Semiconductor and
Optoelectronics Devices

Polish Academy of Science

Polish Society of Sensor Technology

Under the patronage of:

Ministry of Science and Higher Education

JM Rector of Lodz University of
Technology

Mayor of Lodz

SUBJECT OF THE CONFERENCE

- Theory, modelling and design of sensors, transducers and actuators
- New materials and technologies for sensors, micro and nanosystems
- Physical quantities sensors
- Environmental Sensors
- Biosensors and lab-on-chips
- Optoelectronic sensors, fiber optic and image converters
- Sensors MEMS optical MEMS, RF MEMS, NEMS
- Sensory networks, transmission systems
- Applications and metrological aspects of sensors and microsystems

Place of the Conference

Conference venue will take place new hotel located in the very city centre of Lodz, Poland

The Conference Fees

The conference fee include:

- The conference fee itself
- The publication of conference materials,
- 3 nights and full board in a comfortable hotel,
- Participation in social events,

and payment is as follows:

- ♦ 2000PLN - (1 paper, accommodation in a single room)
- ♦ 1750PLN - (1 paper, accommodation in double room)
- ♦ 1250PLN - (1 publication, without accommodation)
- ♦ 700PLN - accompanying person
- ♦ 200PLN Late payment after 30.04.2014 – extra cost

Payment is due before 30th of April 2014. Bank account

IBAN: PL 03 1240 3028 1111 0010 3741 8675

Name of Bank: PEKAO SA

With a note: COE2014 plus percipients name

The Scientific Committee

Scientific Committee

dr hab. inż. Jacek Gołębiowski, prof. PŁ – **chairman**

Vice chairman

Prof. A. Górecka – Drzazga, Wrocław University of Technology, Poland

Members:

Prof. A. Cysewska – SobusiakPoznan, University of Technology, Poland

Prof. A. Dybko, Warsaw University of Technology, Poland

Prof. J. Dziuban, Wrocław University of Technology, Poland

Prof. L. Golonka, Wrocław University of Technology, Poland

Prof. T. Gotszalk, Wrocław University of Technology, Poland

Prof. P. Grabiec, Institute of Electron Technology (ITE), Poland

Prof. R. Jachowicz, Warsaw University of Technology, Poland

Prof. Z. Jankiewicz, Military University of Technology, Poland

Prof. W. Kalita, Rzeszow University of Technology, Poland

Prof. M. Kujawińska, Warsaw University of Technology, Poland

Prof. Z. Lisik, Lodz University of Technology, Poland

Prof. M. Lobur, Lviv Polytechnic

Prof. A. Napieralski, Lodz University of Technology, Poland

Prof. A. Nowakowski, Gdansk University of Technology, Poland

Prof. T. Pałko, Warsaw University of Technology, Poland

Prof. R. Pawlak, Lodz University of Technology, Poland

Prof. D. Pijanowska, Polish Academy of Sciences, Poland

Prof. T. Pisarkiewicz, AGH University of Science and Technology, PL

Prof. T. Pustelny, Silesian University of Technology, Poland

Dr inż. E. Raj, Lodz University of Technology, Poland

Prof. P. Strumiłło, Lodz University of Technology, Poland

Prof. J. Szuber, Silesian University of Technology, Poland

Prof. H. Teterycz, Wrocław University of Technology, Poland

Prof. W. Torbic, Institute of Biocybernetics and Biomedical Engineering

PAS, Poland

Dr inż. R. Walczak, Wrocław University of Technology, Poland

Prof. S. Wiak, Lodz University of Technology, Poland

Prof. B. Więcek, Lodz University of Technology, Poland

Prof. W. Wójcik, Lublin University of Technology, Poland

Prof. K. Zakrzewska, AGH University of Science and Technology, PL

Proceedings and papers

All abstracts of accepted papers will be published in the conference proceedings. Editorial requirements are available conference website. The positively revived papers will be published English-language journal of high impact factor of Proceedings of SPIE or Electronics.

Conference Application Form

Registration is can be done via www.coe2014.dsod.pl or traditionally using written declaration form, which must be e-mailed or faxed to the Organizing Committee COE2014

Application Form

XIII International Scientific Conference Optical Sensors and Electronic Sensors

By completing this application form, I confirm participation in the COE Conference 2014, to be held on 22 - 25 June 2014. in Lodz, Poland

Academic or professional title

Full name

Affiliation, Institution.....

.....

.....

Street.....

Postal code and city.....

Country.....

VAT.....

Tel. / Fax.....

E-mail.....

Title of the paper

.....

.....

Form of presentation:

- oral presentation

- poster session

Accommodation:

- Single room, - not requested accommodation

- Double room, - room shared with accompanying person

Notes, remarks:

.....
